

# Speed Dat(Heart)ing

The Experimentation :

277 men and 274 women meet for 4 minutes and rate their partners on:

Attractiveness

Sincerity

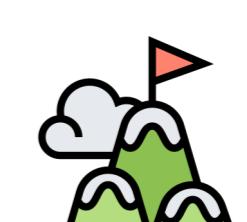

Shared  
Interests

Intelligence

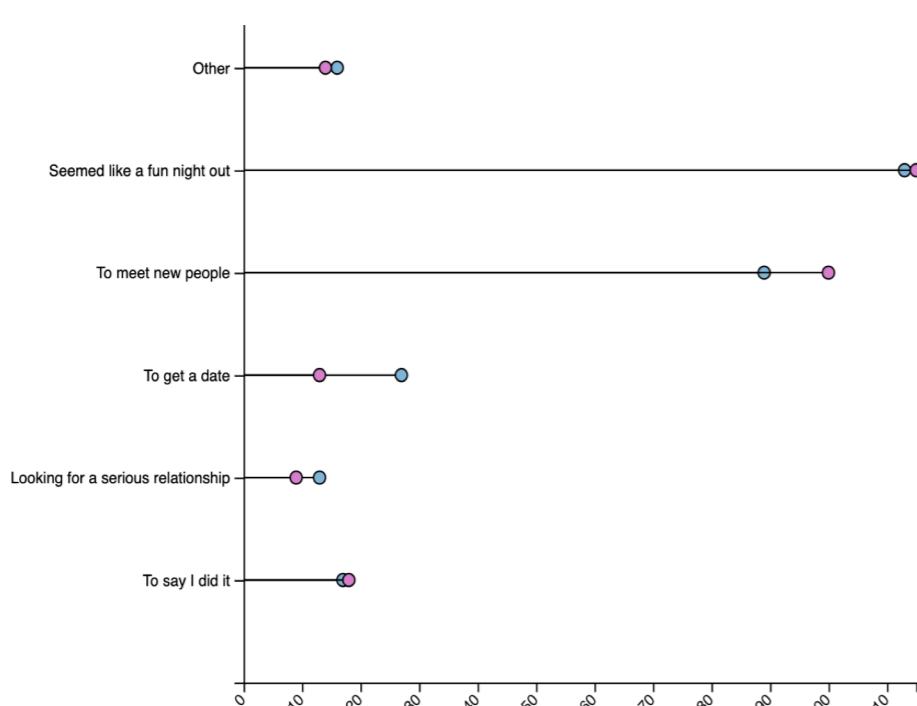

Fun

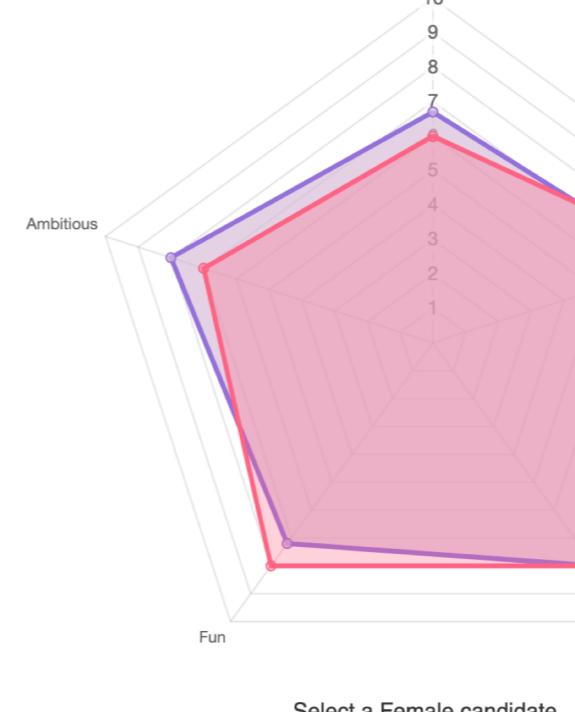

Ambition

Get to know the participants...

How they see themselves

How other sees them

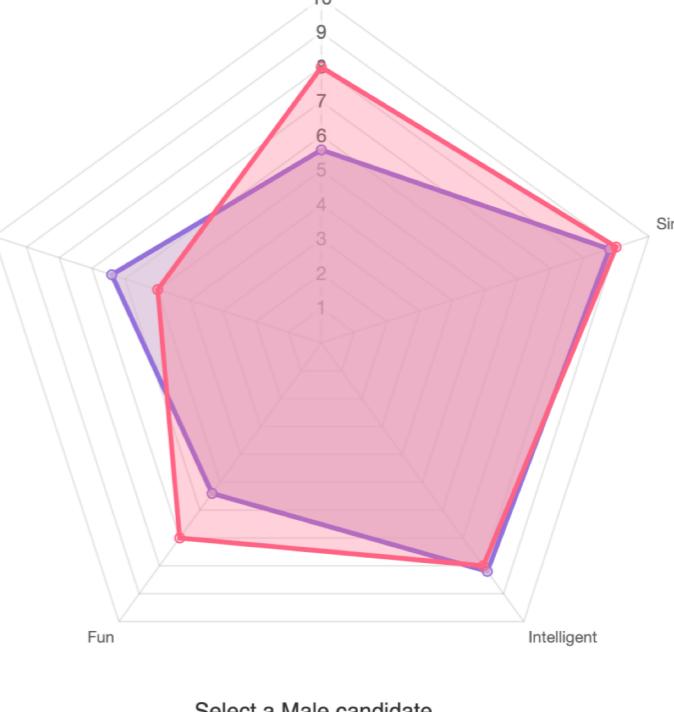

Select a Female candidate

1 (F)

How they see themselves

How other sees them

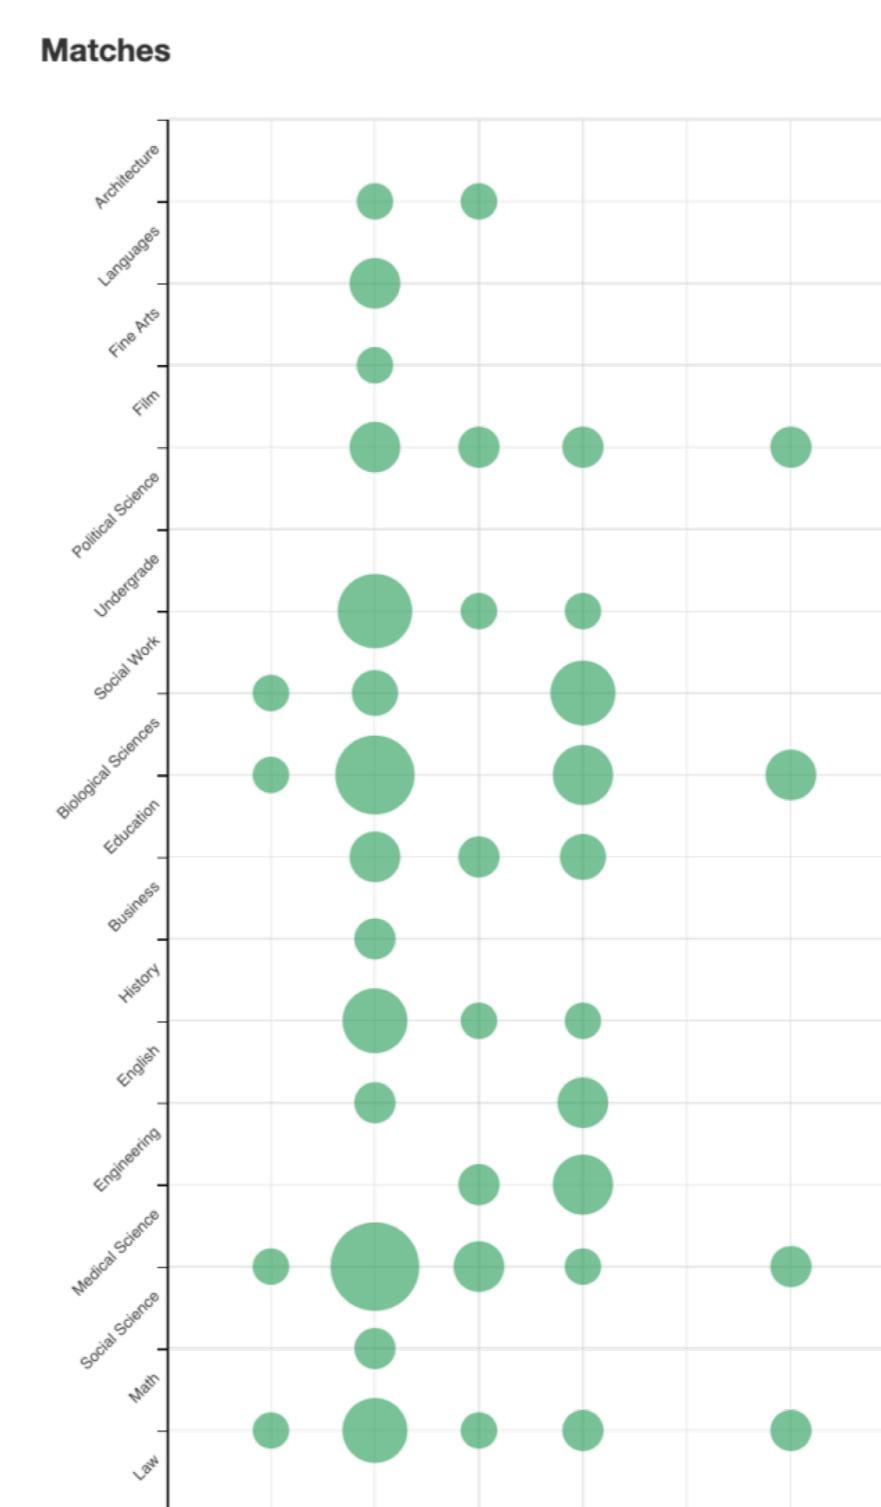

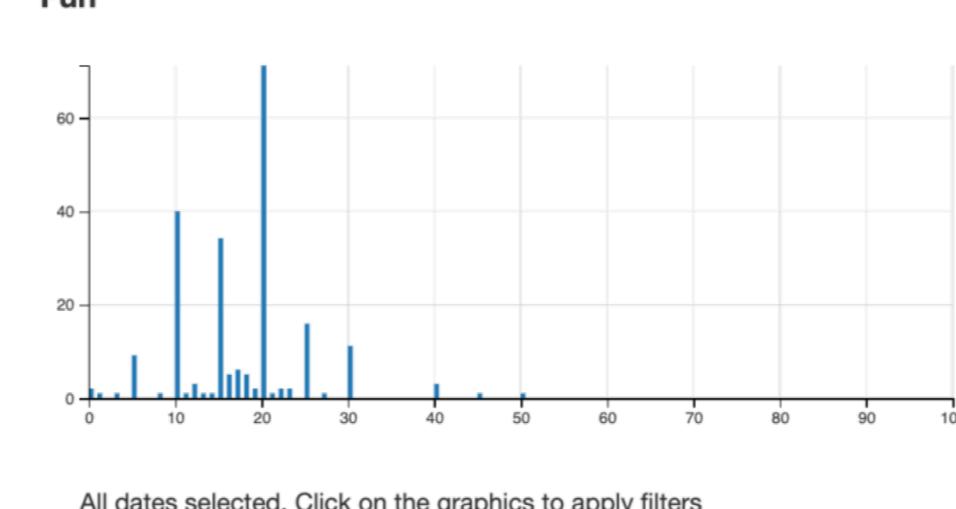

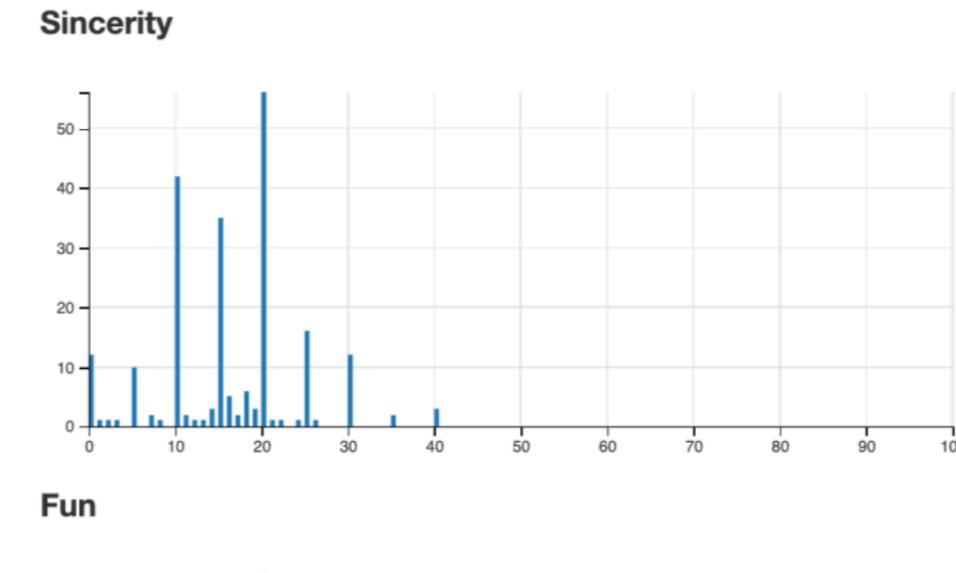

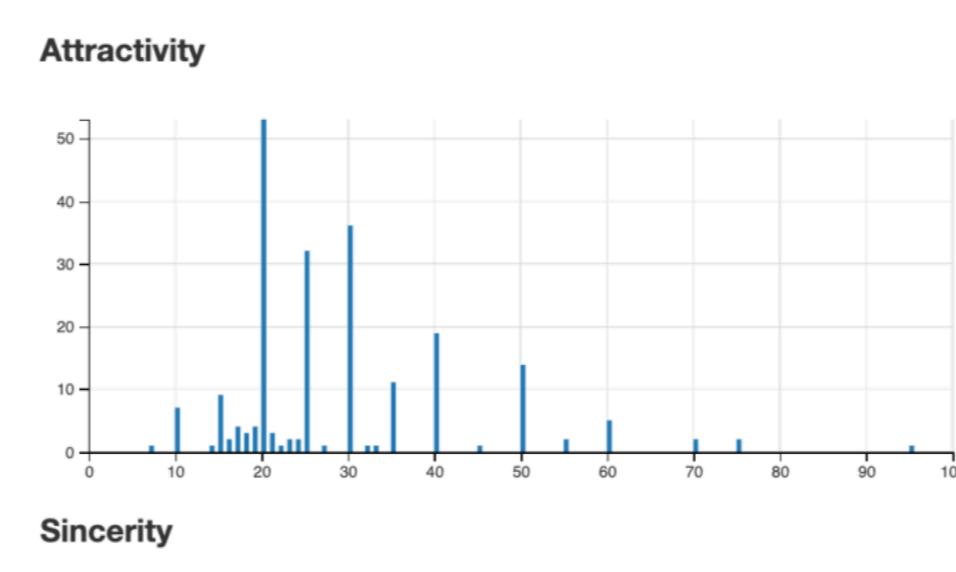

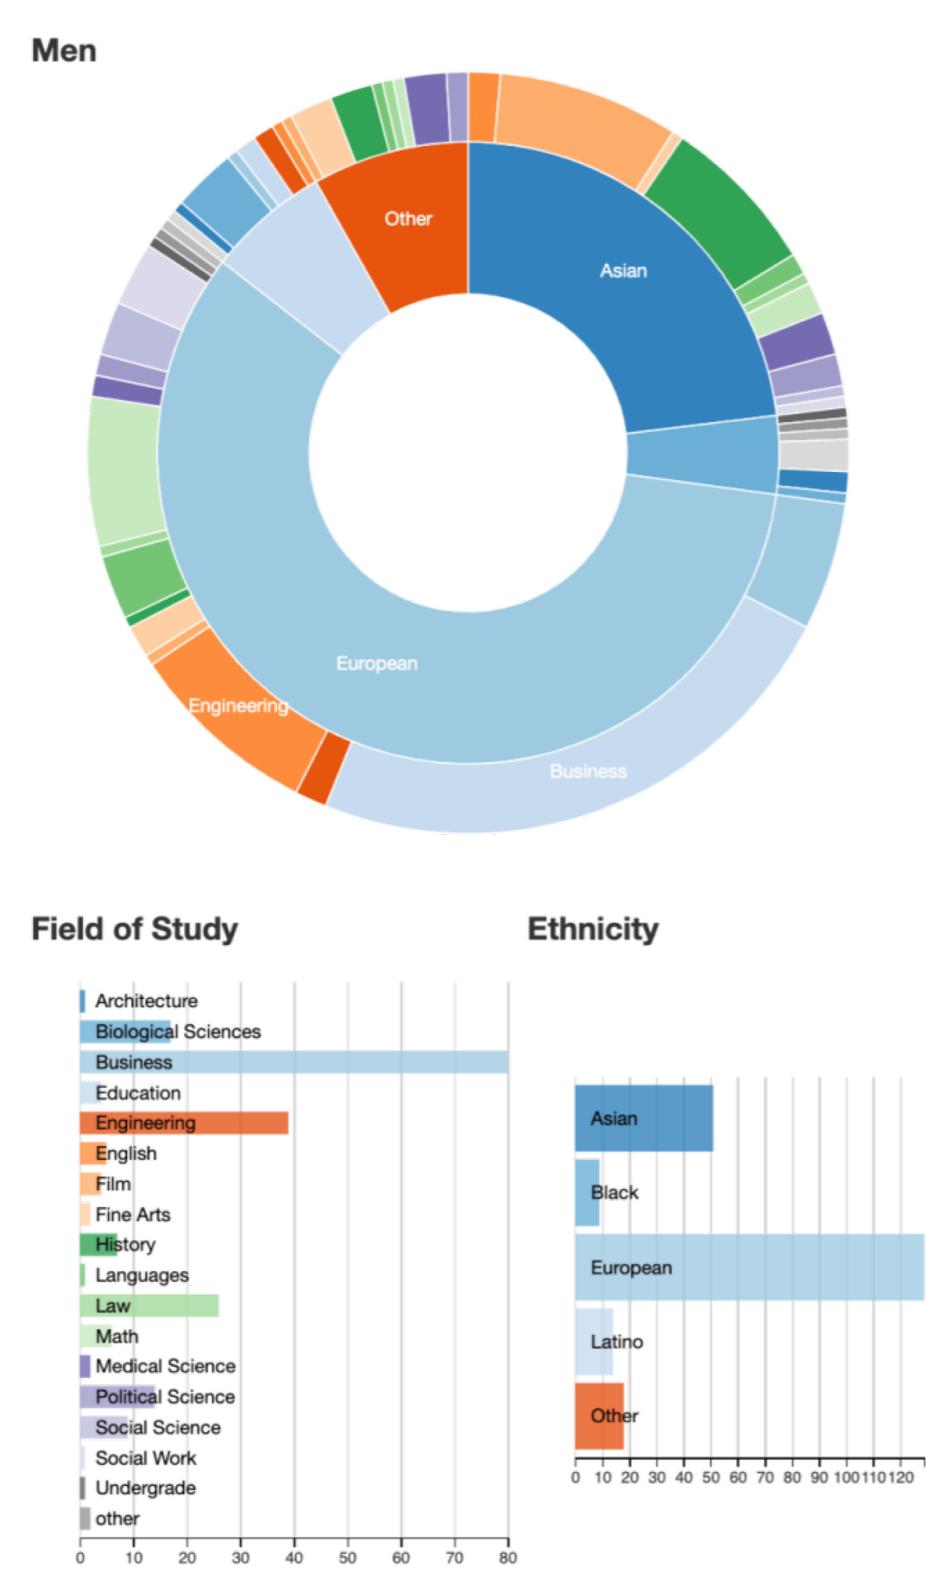

Select a Male candidate

11 (M)

... and their image

Explore through the populations to see what matches...

And finally understand the heart of people when it comes down to romance
